Any item listed here may be borrowed from the Library of the National Society for Crippled Children and Adults, Inc. Additional literature on any of the subjects will be sent to interested persons upon request.

A complete index for this volume will be issued at the end of the year. A bibliography of publications which originally published the articles listed in this Index appears on page 6.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education, or vocational rehabilitation of cripples and public or private institutions and agencies having Institutional membership in the National Society for Crippled Children. Available to others at 50¢ a year.

594. Armless wonder. Ebony. Nov. 1945. 1:1:39-41.

Pictures and biographical sketch of Clifford Blount, Chicago Negro businessman.

595. Barber, H.S. Rheumatic fever in the R.A.F.; results of treatment at a convalescent centre. Brit. Med. J. Jy 20, 1946. 4463:83-4.

596. Bedwell, C.E.A. The fit and disabled. Contemporary Rev. Feb. 1946. 169: 962: 104-6

597. Bennett, R.L. Role of physical medicine in poliomyelitis. J. of Pediatrics. Mar. 1946. 28:3:316-23.

598. Brucellosis--a serious health problem. Monthly Bul., Indiana State Board of Health. Je 1946. 99:6:125, 144.

An editorial reporting the Indiana program. Current issue includes several articles on various aspects of the disease.

599. Compere, E.L.; Schmute, W.J. Treatment of congenital dislocation of the hip. J. of Bone and Joint Surgery. Jy 1946. 28:3:555-64.

600. Complete aid for the deafened. Kiwanis Mag. Jy 1946. 31:7:35.

Reports how the Kalamazoo Kiwanis Club sponsored a local society for caring for the needs of the deafened.

601. Cowboy dreams come true for handicapped youngsters. St. Paul Sunday Pioneer Press. Jy 14, 1946.

A two page spread of pictures taken at Dowling Cowboy Ranch, Camp Kiwanis, supported by Minneapolis Assn. for Crippled Children.

602. Crothers, B.; Meyer, E. Psychologic and psychiatric implication of poliomyelitis. J. of Pediatrics. Mar. 1946. 28:3:324-6.

603. Decline in mortality from poliomyelitis. Statistical Bul. Je 1946. 27:6:3-5.

604. Disease causes found; Donovan body has been found to cause some cases of arthritis and osteomyelitis. Science News Letter. Jy 20, 1946. 50:3:35.

605. Dock, G., Jr. Candidates for heart attack. Harpers. Aug. 1946. p. 130-4.

606. Elson, M. Physical therapy. Newsletter, Nat. Council on Rehabilitation. Jy 1946. 3:7:3-6.

Answers questions concerning the profession asked frequently by prospective students.

607. Falk, I.S., and others. Disability among gainfully occupied persons; an introduction to disability insurance statistics. (Bur. Memo. No 61) Washington, D.C., Bur. of Research and Statistics, U.S. Social Security Board, June 1945. 60p.

608. Fracker, C.C. One hand, one ear, one voice. Personnel J. Feb. 1946. 24:8:296-9.

Reports briefly job analysis down at Wright Aeronautical Corp. Cincinnati, O., for the placement of handicapped workers.

609. Gt. Brit. Ministry of Labour and National Service. Vocational training quiz. P.L. 202. Apr. 1946. H.M. Stat. Off., London. 4p.

A leaflet to answer inquiries of British servicemen in regard to the British Vocational Training Scheme.

610. Guide to organizing a community group interested in nursing services: some principles. Public Health Nursing. Jy 1946. 38:7:354-9.

Includes "Suggested Bylaws for a Council or Committee on Community Nursing."

611. Hands for the handicapped. Popular Mechanics. My 1946. 85:5:136-7.

Reviews the kinds of protheses available to amputees.

612. Hearst, C.C. Care of patients with infantile paralysis: correlation in the nursing and physical therapy services. Physiotherapy Rev. Jy-Aug. 1946. 24:4:163-7.

A section of the revised handbook, Nursing Responsibilities in the Care of Patients with Infantile Paralysis, being prepared by Joint Orthopedic Nursing Advisory Service to be distributed by Nat. Found. for Infantile Paralysis.

613. Help for spastics. Time. Aug. 5, 1946. 48:6:55.

Reports Dr. Kabat's research in prostigmine and the use of the drug at his clinic.

614. Holmes, G. Evolution of clinical medicine as illustrated by the history of epilepsy. Brit. Medical J. Jy 6, 1946. 446:1-4.

"The first Price lecture, delivered in the Queen's University, Belfast, on May 9, 1946."

615. Illinois Commission for Handicapped Children reports to the people of Illinois, June 1941-June 1946. Springfield, Ill., The Commission, 1946. 22p.

616. Jepson, P.N. Use of prostigmine in the management of infantile cerebral paralysis. J. of Pediatrics. Jan 1946. 28:165-8.

617. James, D.F.; Braden, S. Use of curare in the treatment of spastic paralysis. J. of Neurosurgery. Jan. 1946. 3:1:74-80.

618. Kreuz, F.P.; Montgomery, H.H. Principles involved in prosthetic devices. Mechanical Engineering. Jy 1946. 68:7:630-1, 63.

619. Leg man; only Negro artificial limb maker helps wounded walk. Ebony. Feb. 1946. 1:4:14-17.

620. Livestock heals; serve the AAF as therapeutic agents at Green Mt. lake farm. Breeder's Gazette. Feb. 1946. 111:2:6,34-5.

621. Lueth, H.C. Cardiac aspects in the care of veterans. Bulletin, Chicago Heart Assn. Jan-Je 1946. 24:1-6:1-11.

Discusses the care of cardiac patients in VA hospitals, particularly in Hines Memorial Hospital, Hines, Ill. Discusses also the problem of employment and medical supervision of the discharged patient.

622. Medicine: For infant minds. Newsweek. Jy 22, 1946. 28: 4: 50-60.

A news report of an operation developed by surgeons at Children's Hospital, Boston, by which blood clots can be removed from the brain of the newborn and thus prevent brain injuries.

623. Mostyn, W.H. We are really doing something. Am. Federationist. April 1946. 53:4:12.

Reports the formation of the Div. of Veterans' Affairs of the Metal Polishers, Buffers, Platers and Helpers Internat. Union (AFL) with purpose of helping disabled veterans.

624. Movies to broaden the vision of the handicapped. Minn. Assn. for Crippled Children and Adults, 1946. 4p. Processed.

Explains a service to homebound children performed by the Third District Ladies Auxiliary, Veterans of Foreign Wars, and supervised by the Minnesota Assn. for Crippled Children.

625. Murphy, E.F. Problems in design of prosthetic devices. Mechanical Engineering. Jy. 1946. 68:7:632-6.

Describes present types of protheses and gives specifications in the designing of improved types.

626. Nat. Research Council. Comm. on Prosthetic Devices. Research reports on artificial limbs. Evanston, Ill., 1946. 47p.

First annual report.

627. Nelson, N. Spinal cord circulation in poliomyelitis. Science. Je 22, 1946. 104:2690:49-50.

628. Norton, J.K.; Lawyer, E.S. Unfinished business in American education; an inventory of public school expenditures in the U.S. Am. Council on Education, 744 Jackson Pl. Washington 6, D.C. 64p. $1.00.

629. Nourse, M.H.; Bumpus, H.C. Care of the paraplegic's urinary tract. Naval Medical Bul. Jy 1946. 46:7:1053-6.

630. Panel of experts proposes civilian hearing clinics for every state; authorities urge clinics on pattern of military rehabilitation program. Hearing News. Jy 1946. 14:7:5: 9-16.

A report of the panel discussion at the National Rehabilitation Conference, Chicago, Ill., May 13, 1946.

631. Patrick, J. Pin and graft arthrodesis for osteo-arthritis of the hip. Lancet. 251:6410:9-10.

632. Perlstein, M.A.; Andelman, M.B. Triodine; its use in convulsive and related disorders. J. of Pediatrics. Jy 1946. 29:1:20-40.

A clinical study of the drug indicates certain benefits: It is the most effective drug yet employed for petit mal; it reduces tension or rigidity in the cerebral palsied, athetoids being more benefited than spastics.

633. Price, J.C. Epilepsy; what can be done about it. Training Nurse and Hospital Rev. Jy 1946. 117:1:17-9.

634. Prince, G.E., and others. Tick paralysis in children. J. of Pediatrics. My 1946. 28:5:597-601.

635. Reconstructive surgery of the hand. Lancet. Jy 13, 1946. 251:6411:53-4.

Summarizes information concerning the hand centers, and the surgery performed there, in U.S. Army general hospitals, as organized and directed by Dr. Sterling Bunnell.

636. Rehabilitation. Survey Midmonthly. Jy 1946. 82:7:192-3.

Reports current rehabilitation developments in the U.S.

637. Rehabilitation Committee. Brit. Med. Assn. Report on rehabilitation. Brit. Med. J. Je 29, 1946 (Supplement). 4460:187-201.

Report comprises four sections: 1) Existing facilities; 2) Rehabilitation in the Services; 3) Industrial resettlement of the neurotic; 4) Planned rehabilitation.

638. Richardson, N.K. Type with one hand. Chicago, South-Western Pub. Co., 1946. 15p. 28¢

A typing manual designed to direct the student in the initial learning stages.

639. Robinson, I.M. Occupational therapist. Vocational Guidance Centre, Ontario College of Education, Univ. of Toronto, 371 Bloor St., W., Toronto 5, Can. 4p. 7¢

A short monograph describing the profession.

640. Robinson, J.J.; Currens, J.H. Preliminary observations on some children with rheumatic heart disease transported to a subtropical climate. J. of Pediatrics. Apr. 1946. 28:4:426-8.

641. Roffey Park (official opening as rehabilitation center for industrial workers). Lancet. Je 29, 1946. 250:6409:973.

642. Rogers, J.F. What every teacher should know about the physical condition of her pupils. (U.S. Off. of Education. Pam. No. 68. Revised 1945) Washington, D.C., U.S. Supt. of Docs., 1945. 19p. 10¢

643. Rusk, H.A. Re-creation. Youth Leaders. Je-Sept. 1946. 8:9:335-8.

Condensation of address before Nat. Recreation Assn. Congress, at Atlantic City, 1946, on the U.S. Army convalescent training program.

644. Rusk, H.A.; Taylor, E.S. Rehabilitation of the handicapped; the role of the industrial nurse. Industrial Nursing. Jy 1946. 5:7:30-2.

645. Sanderson, V.S. What should I know about speech defects; a handbook for the classroom teacher. Columbus 10, O., Ohio State Univ., Bur. of Special and Adult Education, 1946. 39p.

646. Taran, L.M. Laboratory and clinical criteria of rheumatic carditis in children. J. of Pediatrics. Jy 1946. 29:1:77-89.

A report of a clinical study undertaken to obtain diagnostic criteria on the duration and the cessation of the active rheumatic phase.

647. Tuberculosis control. Hospitals. Aug. 1946. 20:8:41-57.

A special section, consisting of 9 articles, on the role of the general hospital, particularly how to start the program, its procedures, costs, and financial help.

648. Underwood, J.E.A. School health service in England and Wales. Am. J. of Public Health. Jy 1946. 36:7:703-10.

Includes a discussion of the medical treatment and special education of handicapped children.

649. U.S. Dept. of Labor. Children's Bureau. Purchase of hospital care; a bulletin for State agencies administering services for maternal and child health, crippled children, and vocational rehabilitation. Jy 1945. 34p. Mimeo.

This bulletin supersedes previous Federal directives and memoranda.

650. U.S. Dept. of Labor. Children's Bureau. Ten years of services for children under the Social security program, August 1935-August 1945. 21p. Mimeo.

In three parts: 1) Maternal and child health; 2) Services for crippled children; 3) Child-welfare services. Distributed as background material to newspapers, radio broadcasting companies, and organizations interested in children welfare.

651. U.S. Dept. of Labor. Interagency Comm. on Youth Employment and Education. Your community and its young people-their employment and educational opportunities. (Children's Bur. Publ. No. 316.) Washington, D.C., U.S. Supt. of Docs., 1946. 31p.

652. Vail, J.B. Improved elbow joint for artificial arms; a preliminary report. Naval Medical Bul. Jy 1946. 46:7:1126-9.

653. Wiener, A.S. Theory and nomenclature of the Rh types, subtypes, and genotypes. Brit. Med. J. Je 29, 1946. 4460:982-4.

654. Williams, E.T., and others. Graphic method for rapid estimation of clinical status in poliomyelitis. Archives of Physical Medicine. Jy 1946. 27:7:430-6.

655. Woods Schools. Child Research Clinic. Sociological foundations of the psychiatric disorders of childhood. Langhorne, Pa., 1945. 125p.

Proceedings of the 12th Institute held in collaboration with School of Medicine, Duke University, Nov. 2, 1945.

656. Wright, J. Prescription of physical therapy. Physiotherapy Rev. Jy-Aug. 1946. 26:4:168-73.

A révision of "Physical Therapy Prescription," published in Physiotherapy Rev., Jan-Feb. 1945.

657. Wright, J.; Leatham, E. Diet in relation to poliomyelitis. Public Health Nursing. Jy 1946. 38:7:345-8.

Offers sample menus that will give a diet high in vitamins B and E, so necessary to polio patients.

658. Zahrobsky, M. Illinois program for educating handicapped children in the public schools. Social Service Rev. Je 1946. 20:2:180-97.

Reviews the legislative history of special educational services in Illinois.

New Books in the Loan Library
